

DIVA_4 gambe metallo / DIVA_4 metal legs

Design Antoy Filips

La Sedia Diva con gambe in metallo è la sedia imbottita stabile e confortevole dal design moderno. Pensata dal designer Antoy Filips, è definita da linee pulite e avvolgenti: il gusto classico viene rivisitato in chiave moderna, creando la soluzione perfetta per i salotti contemporanei. Si sposa infatti perfettamente con tavoli dallo stile moderno e minimalista come il tavolo Noa con top ceramica. Le sue gambe in metallo verniciato rendono la struttura leggera ed estremamente stabile, il rivestimento prezioso e curato con grande attenzione ai dettagli è personalizzabile in diversi colori e tessuti (pelle, ecopelle e tessuto). Comoda e avvolgente trova il suo luogo ideale in occasioni di convivialità, attorno a tavolate di amici e familiari o in situazioni più formali come in sale riunioni attente al design contemporaneo o luoghi di hospitality grazie alla sua grande versatilità. Disponibile anche nella versione Diva 4 con gambe in legno.

The Diva Chair with metal legs is the stable and comfortable padded chair with a modern design. Designed by designer Antoy Filips, it is defined by clean and enveloping lines: the classic taste is revisited in a modern key, creating the perfect solution for contemporary living rooms. In fact, it goes perfectly with tables with a modern and minimalist style such as the Noa table with ceramic top. Its painted metal legs make the structure light and extremely stable, the precious and refined covering with great attention to detail can be customized in different colors and fabrics (leather, eco-leather and fabric). Comfortable and enveloping, it finds its ideal place on occasions of conviviality, around tables of friends and family or in more formal situations such as in meeting rooms attentive to contemporary design or hospitality places thanks to its great versatility. Also available in the Diva 4 version with wooden legs.

FINITURE/FINISHES

Attenzione: il prodotto finito può presentare delle lievi variazioni di colore rispetto ai campioni forniti dall'azienda. I colori visualizzati sono puramente indicativi e possono variare rispetto alla realtà. Rivolgersi ad EFORMA o al proprio rivenditore di fiducia per ricevere maggiori informazioni. EFORMA si riserva di apportare modifiche e/o migliorie di carattere tecnico ed estetico ai propri modelli e prodotti in qualsiasi momento e senza preavviso. / *Attention: the final product may show slight variations in colour compared to the samples supplied by the company. The colours displayed are indicative and can vary in reality. Please contact EFORMA or your preferred retailer for more information. EFORMA reserves the right to change and/or apply technical and esthetical improvements to its models and products at any time without any notice.*

Metallo/Metal

I metalli della nostra collezione vengono verniciati a polvere così da rivestire le nostre superfici a scopo decorativo e protettivo. Lo spessore finale della verniciatura a polveri, risulta particolarmente elevata contribuendo ad una serie di rilevanti vantaggi sul prodotto verniciato: resistenza meccanica, resistenza agli agenti corrosivi, scarsa infiammabilità, precisione nell'applicazione. Le verniciature a polveri utilizzate sono totalmente atossiche e prive di solventi, per questo motivo la verniciatura a polveri è una lavorazione ECO- FRIENDLY, a bassissimo impatto ambientale. Disponibile la versione cromata dove il metallo o l'alluminio vengono rivestiti di cromo, conferendogli così durezza, resistenza chimica e resistenza all'ossidazione. / *The metals in our collection are powder coated in order to coat our surfaces for decorative and protective purposes. The final thickness of the powder coating is particularly high contributing to a series of advantages for the painted product: mechanical resistance, resistance to corrosive agents, low flammability, precision in the application. The powder coatings used are non-toxic and solvent-free, for this reason powder coating is an ECO-FRIENDLY process, with a very low environmental impact. The chrome version is available where the metal or aluminum is coated with chrome, giving it hardness, chemical resistance and resistance to oxidation.*

Legno/Wood

Il legno che viene utilizzato è tra i migliori che esistono sul mercato europeo. Viene lavorato con le migliori tecniche garantendo così resistenza e durata. *The wood which is used is one of the best available in European markets. It is worked with the best techniques guaranteeing resistance and durability.*

LEGNO MASSELLO/SOLID WOOD

Il legno utilizzato è un materiale di pregio che si caratterizza principalmente per la resistenza all'usura e per l'estetica. Durante il suo ciclo di crescita, sviluppo e maturazione, il legno si evolve nelle sue qualità come il cambio nel colore, nei nodi, e nelle vene. Essendo un materiale vivo, e naturale, può presentare delle variazioni di vene e di tonalità. *The wood used is a valuable material that is mainly characterized by its wear resistance and its aesthetics. During its cycle of growth, development and maturation, the wood's qualities. Evolve showing a change in color, in the knots, and in the veins. Being a living, natural material, it can present variations in veins and shades.*
