

MARMI / MARBLES

Il marmo naturale che viene utilizzato per le nostre collezioni, deriva da lastre accuratamente selezionate e lavorate facendo così esaltare i suoi colori e i suoi cristalli. Ogni materiale naturale va visto come pezzo unico e le diverse lastre possono presentare variazioni di colore e struttura.

The natural marble that is used for our collections, comes from carefully selected and processed slabs, thus enhancing its colors and crystals. Each natural material should be seen as a unique piece and the different slabs may present variations in color and structure.
